

Finance Director

San Francisco International Airport

San Francisco International Airport (SFO), an enterprise department of the City and County of San Francisco, delivers world-class security and customer service in state-of-the-art facilities. The Finance Director reports to the Deputy Director of Business and Finance. This position manages the Finance section of the Business and Finance Division at the Airport Commission and is responsible for the high-level planning of the Airport's financial direction and the implementation of long-range and short-range financial plans. Candidates should possess a Bachelor's degree in business administration, economics, finance or related field from an accredited college or university along with ten or more years of progressively responsible financial experience. The annual salary range is up to \$156,494. Placement within the range will be based upon the selected candidate's experience and salary history. SFO offers a comprehensive benefits plan including retirement. Interested candidates can apply on line at www.ralphandersen.com or email to apply@ralphandersen.com. Closing date is March 21, 2008.
