

## **EXECUTIVE DIRECTOR**

**Do you exhibit passion in a team-oriented work environment? Do you have proven leadership skills in airport management? Little Rock National Airport provides this unique opportunity for an exceptional, proactive leader that can use persuasive abilities to create enthusiasm at this customer service focused airport.**

**You will be responsible for overall administration, operation, maintenance and development of Arkansas' largest commercial airport. You will act as direct representative of the Airport Commission to the public, press, aviation community, and appropriate government entities. This position is responsible for 200 employees and an annual operating budget of \$30 million.**

**Bachelor's degree required in Airport Management, Business Administration or related field. MBA is desirable. Sufficient related experience may be considered as a substitution of the education requirement. To meet the job requirements, you will have ten (10) years progressive experience at an airport with at least two (2) years at the number one and/or number two position. A.A.E certification and/or CM preferred. Salary range \$150,000-180,000 DOE with an excellent benefit package including relocation benefits.**

**You must be a persuasive communicator with a leadership style that is participatory and team-oriented. You will coordinate, direct, and manage the work of others as an experienced and effective team builder. You must possess an extensive knowledge of principles and practices of modern airport management which has been acquired through verifiable work experience and education.**

**Little Rock National Airport, which recorded 1.2 million enplanements in 2007, is served by eight airlines with non-stop service to 18 cities. Its capital improvement program has a \$28 million dollar budget. The airport is the main link in the commercial air transport system for a large majority of the State of Arkansas.**

**Significant non-airline tenants at the airport include Dassault Falcon Jet Corporation and Hawker Beechcraft Corporation. The Dassault Falcon facility finishes all of the Falcon corporate jet aircraft sold worldwide. Hawker Beechcraft provides completion work for the Hawker corporate jet aircraft family.**

**For a detailed brochure describing the position, Little Rock information, and submittal requirements, contact Doug Kuelpman, ADK Executive Search, at: [LITExecutiveDirector@adkexecutivesearch.com](mailto:LITExecutiveDirector@adkexecutivesearch.com). Position closes MAY 16, 2008.**
