

The Wichita Airport Authority requests statements of qualifications from airport advertising concessionaires who specialize in developing and implementing advertising concessions at airports. It is the intent of the Authority to seek an advertising concessionaire to fully develop and execute aggressively a first class advertising program at Wichita Mid-Continent Airport. The advertising concessionaire would be requested to create resourceful and innovative designs in selected locations in the terminal building and airport property that will enhance and incorporate advertising. The advertising concessionaire would also be required to produce and promote the advertising program. The advertising concessionaire would be expected to provide consulting services and assist in the implementation of an advertising program in the future new terminal building. Sealed statements must be submitted to the City of Wichita, Purchasing Division no later than 5:00 p.m. (CST), February 29, 2008 to Melinda Walker, Purchasing Manager, City of Wichita, 455 North Main, 12th Floor, Wichita, KS 67202. Interested firms should go to the City of Wichita website for the Request for Qualifications #FP800024. The website link is:
