To Apply

Please visit our website at www.saccountyjjobs.net to view the job announcement, the application and the supplemental questions.

You must complete the county application and the supplemental questions by 5:00 pm on April 9, 2008. The Sacramento County Airport System consists of four airports: Sacramento International Airport is the major passenger airline facility for the Sacramento Region serving approximately eight million passengers annually. Ten major carriers and one commuter carrier offer 141 daily flights to major cities across the U.S. and around the world. Sacramento Executive Airport is the Region's primary general aviation facility. Mather Airport is the Region's air cargo hub featuring five major air cargo carriers. Franklin Field is a general aviation reliever airstrip used primarily for training.
