

Airfield Equipment Operator (Multiple)

STATUS: Term position October 2017 - April 2018

SALARY: Authority Band 7 (\$62,581 - \$65,084 - \$67,687 - \$70,394)

CLOSING DATE: October 13, 2017

OUR AIRFIELD FACILITIES TEAM

Our Airfield Equipment Operators are an integral part of our entire airside and groundside group. They go above and beyond to ensure our airport's roadways, grounds, parking facilities, runways, taxiways and aprons are well maintained for seamless operations. This team has the exciting opportunity to operate unique equipment in the fast-paced and operationally critical environment of our airport's backyard. Whether it's working together to clear runways during snow storms or painting aprons to meet standards, there is never a dull moment with this team.

WHAT YOU WILL DO

You will work and collaborate with and a tight team and operate a wide range of unique equipment used to maintain all surfaces, including airfield, groundside and various operationally required facilities. The primary focus of this role is often snow removal and de-icing of the runways and aprons in the winter and surface line painting, integrative vegetative management and pavement repair in the summer. Other work will vary depending on need and may include the following:

- Pavement repair and patching of airfield surfaces, groundside surfaces and various operationally required facilities; including anything from fences to roadways
- Assist with a variety of landscape and drainage projects when required
- Complete minor equipment maintenance and ensure equipment is always ready to operate properly
- Provide support as required to other members of the airside and groundside teams with the inspection and evaluation of surfaces, project support, vegetation management and bird & wildlife control

WHAT YOU WILL BRING

- Experience and competency in equipment operation
- Valid Class 3 Driver's license with air brake endorsement, Class 1 will be given preference
- Strong safety focus, as shown in your decisions and behaviour
- Ability to work a rotating shift schedule and be on call at all times during winter
- Able to obtain and maintain a valid Restricted Area Identification Card (RAIC) and an Airside Vehicle Operator's Permit (AVOP)
- Demonstrated ability to work as a part of a dynamic team
- Ability to build and maintain positive and respectful working relationships
- Capacity to show critical thinking skills and behavior to ensure overall team success
- Demonstrated ability to take direction and implement instructions in a timely manner
- Demonstrated ability to represent our Crew in a positive, professional, efficient and productive manner at all times
- Meet requirements of a safety-sensitive position

WHO WE ARE:

We are more than just planes and tarmacs. We are about connections and stories made possible by our work. We are committed to creating an environment where our people are rewarded through meaningful work experiences. Not only do you get to be a part of developing one of Canada's busiest airports, but you'll be joining one of Alberta's Top Employers.

The Calgary Airport Authority is leading an exciting expansion program at YYC worth over two billion dollars. With the recent opening of Canada's longest runway and the construction of a new international terminal, this is an exciting time to be a part of #YYCCrew.

WHAT YOU CAN EXPECT:

It's simple – we invest in our people because they are the backbone of our success. We offer:

- Competitive salaries
- Attractive benefit, pension and wellness programs
- Flexible work schedules
- Growth opportunities
- Opportunities to give back to the community
- A contagious aviation bug – seriously, it's infectious.

HOW TO APPLY:

Like what you see and think you have what it takes to join our YYC Crew? Send your resume and cover letter to resumes@yyc.com or go to our website www.yyc.careers

All applicants are thanked for their interest but only qualified candidates will be contacted.

The Calgary Airport Authority is an equal opportunity employer.

Successful candidates will be required to obtain the Restricted Area Identification Card.

Successful candidates for safety sensitive positions will be required to undergo a pre-employment medical assessment to confirm fitness for work.

The Calgary Airport Authority complies with PIPEDA. By forwarding your resume, you are consenting to the collection and use of your personal information for this job competition. Your information will be kept confidential.
