

POSITION: Application Analyst III - CCTV | Port of Portland

SALARY: \$77,756.00 - \$121,524.00 Annually

OPENING DATE: 01/08/18

CLOSING DATE: 01/21/18 05:00 PM

GENERAL INFORMATION:

Do you enjoy interacting with a variety of stakeholders to determine evolving needs? Are you interested in being a part of a dynamic innovative collaborative team? The Application Analyst role is an exciting opportunity to identify and prioritize business needs for improving the use, management and integration of the Port of Portland's CCTV systems.

SUMMARY OF ESSENTIAL RESPONSIBILITIES:

- Provide day-to-day support of assigned Port of Portland technology-based systems
- Support the Port's Capital Improvement Plan by providing an IT perspective to projects
- Address various phases related to assigned projects:
 - For example, on facilities construction projects, design review, system testing and implementation, commissioning and provide ongoing operational support
- Perform systems selection, implementation, and upgrading of purchased products
- Provide analysis, testing, and documentation of acquired systems
- Develop and deploy associated systems interfaces
- Perform scheduling of upgrades including version testing, interface impact analysis, and implementation plan development

MINIMUM REQUIREMENTS:

- BS/CS in Computer Information Systems
- Five or more years of experience supporting multiple production systems; or the equivalent combination of education and/or relevant experience
- Familiarity with Installation, monitoring, and administration of complex server based digital video recording systems i.e. Verint Nextiva Video Management Systems
- Experience configuring and troubleshooting field equipment such as encoders and cameras
- Experience with Microsoft operating systems and enterprise-class applications
- Experience providing 24 hour, 7 day a week emergency service response and carrying a mobile device for after-hours contact
- Valid Oregon or Washington Driver's License
- DHS/TSA/TWIC background check or ability to pass such a check - required

SKILLS AND ABILITIES:

- Skilled at working in an environment with frequent changes
- Ability to work in a complex and diverse environment, while being flexible and adaptable to evolving situations
- Ability to maintain an awareness of emerging technologies and shifts in technology as they pertain to business operations
- Highly skilled communicator with strong interpersonal and teamwork skills to work collaboratively with staff and customers at all levels
- Agility to occasionally work beyond regularly scheduled hours including planned production implementations and/or project cut overs
- Ability to occasionally lift or maneuver computer equipment and peripherals up to 50 pounds
- Demonstrate commitment to valuing differences among individuals and passion for being inclusive.

ADDITIONAL INFORMATION:

- Diversity and Inclusion: At the Port, we don't just accept difference; we value and support it to create a culture of inclusiveness and fun. We are proud to be an Equal Opportunity Employer.
- EEO/Affirmative Action Policy Statement: The Port of Portland is dedicated to maintaining and improving a work environment, which extends equal opportunity to all individuals, regardless of their race, color, sex, age, religion, national origin, marital status, veteran status, disability or sexual orientation. Employment decisions shall be made in such a manner as to further the principle of equal employment opportunity and to comply with state, federal and local laws. We affirm through this policy statement our continuing commitment to the principles of nondiscrimination and affirmative action.
- Veterans Preference: Under Oregon law, qualified veterans may be eligible for veterans preference when applying for Port of Portland positions. If you are a veteran and would like to be considered for a veterans preference for this job, please provide the qualifying documents as instructed during the application process.
- Background Checks and Drug Testing: The Port of Portland will conduct background checks and/or drug tests for positions where such tests are required by regulation and for other highly sensitive positions.
- ADA Accommodation: Accommodations will be considered for applicants or candidates with a qualifying disability that prevents them from participating in this process. Accommodations will be made where the Port can reasonably do so without imposing an undue hardship on the business or compromising the integrity of the recruitment process. An applicant with any disability who believes that he or she needs an accommodation should contact Human Resources at 503.415.6690
