

CAREER OPPORTUNITIES

POSITION: Applications Analyst III - Parking Systems

SALARY: \$77,756.00 - \$121,524.00 Annually

OPENING DATE: 11/02/17

CLOSING DATE: 11/17/17 05:00 PM

GENERAL INFORMATION:

Have you ever thought about joining the team that supports the parking system at Portland International Airport? Are you an IT professional that could really sink their teeth into the installation, implementation and support of the parking revenue control system? Are you looking for a role that has varying projects and levels of complexities, both large and small? If so, then the Port of Portland's Applications Analyst III position might have the kinds of business activities you've been looking for.

SUMMARY OF ESSENTIAL RESPONSIBILITIES:

- Provide day-to-day support of Portland International Airport (PDX) parking systems
- Provide an IT perspective to parking related projects at PDX
- Perform implementation and upgrades of purchased systems
- Responsible for performing system upgrades including version testing, interface impact analysis, and documentation
- Identify impact of upgrades to existing systems and process
- Work with others on the development and deployment of associated systems interfaces
- Work with credit card processing systems and related data security standards

MINIMUM REQUIREMENTS:

- BS/CS in Computer Information Systems
- Five or more years' experience supporting multiple production systems to include experience with parking systems preferably from Scheidt & Bachmann; or the equivalent combination of education and/or relevant experience
- Experience performing application support and administration activities for purchased or developed products
- Experience implementing information systems using structured design methodologies
- Experience with all phases of the systems lifecycle – analysis, design, development, testing, documentation, and implementation
- Business systems and their related computerized applications
- Experience with credit card processing systems and related data security standards
- Solid understanding of parking systems and how the related components operate
- Understanding of the payment card industry data security standards (PCI-DSS)
- Experience with Microsoft Windows Operating Systems, VMWare, Oracle databases, and PowerShell
- DHS/TSA background check – required
- Valid Oregon or Washington Driver's License

SKILLS AND ABILITIES:

- Detail oriented person with strong problem solving skills
- Ability to comfortably work with frequent changes and be flexible and adaptable to evolving situations
- Strong interpersonal and teamwork skills to work collaboratively with staff and customers at all levels
- Strong diagnostic, conceptual and systematic thinking skills
- Ability to show the utmost respect for others and is a proven team player
- Ability to demonstrate the Port's commitment to valuing differences among individuals and a passion for being inclusive

ADDITIONAL INFORMATION:

- Diversity and Inclusion: At the Port, we don't just accept difference; we value and support it to create a culture of inclusiveness and fun. We are proud to be an Equal Opportunity Employer.
- EEO/Affirmative Action Policy Statement: The Port of Portland is dedicated to maintaining and improving a work environment, which extends equal opportunity to all individuals, regardless of their race, color, sex, age, religion, national origin, marital status, veteran status, disability or sexual orientation. Employment decisions shall be made in such a manner as to further the principle of equal employment opportunity and to comply with state, federal and local laws. We affirm through this policy statement our continuing commitment to the principles of nondiscrimination and affirmative action.
- Veterans Preference: Under Oregon law, qualified veterans may be eligible for veterans preference when applying for Port of Portland positions. If you are a veteran and would like to be considered for a veterans preference for this job, please provide the qualifying documents as instructed during the application process.
- Background Checks and Drug Testing: The Port of Portland will conduct background checks and/or drug tests for positions where such tests are required by regulation and for other highly sensitive positions.
- ADA Accommodation: Accommodations will be considered for applicants or candidates with a qualifying disability that prevents them from participating in this process. Accommodations will be made where the Port can reasonably do so without imposing an undue hardship on the business or compromising the integrity of the recruitment process. An applicant with any disability who believes that he or she needs an accommodation should contact Human Resources at 503.415.6690
