Salary Range: \$78, 750- \$131, 250

Position Summary (Primary Function)

Responsible for commercial business development of all aeronautical and non-aeronautical revenue business. Oversees and leads business development, market research, and leasing of airport facilities, land, and services. Promotes the airport locally, nationally, and internationally. Responsible for the development and implementation of both short and long term strategic commercial business development plans for the District. Develops and grows all airport revenue bases, which may include but not be limited to concessions, commercial properties, real estate development, cargo and FBO customers, as well as ground transportation and parking strategies.

Responsibilities (Essential Job Functions)

- Establish short and long-range goals for business development projects by identifying and prioritizing development opportunities to maximize aeronautical and non-aeronautical revenues and increase customer satisfaction.
- Leverage industry expertise, best practices, and key business drivers in the development of all short and long range plans and define results.
- Identify and capitalize on business opportunities, both short and long-term.
- Maintain flexibility to adapt priorities based on changing business needs.
- Execute the assigned strategic plan goals for the District.
- Establish and implement strategy to attract new commercial business operators, retain and secure growth from existing aeronautical and non-aeronautical tenants.
- Seek and secure cargo customers and users.
- Seek and secure general aviation/corporate customers and users.
- Develop and implement various pricing strategies for District revenue bases.
- Oversee the implementation of commercial business programs and projects.
- Represent the District as the business development leader by advocating, communicating, and supporting the strategic direction, priorities, goals, vision, mission, and values of the District.
- Interact with developers, real estate professionals, business and property owners, lenders, community groups, legal counsel, elected officials, and citizen groups concerning development projects.
- Oversee and follow the policies and procedures of the District with regard to the negotiation, preparation, and processing of agreements.
- Oversee the contract and lease development process for use of airport property or the operation of a business enterprise on airport property.

GREENVILLE-SPARTANBURG AIRPORT DISTRICT POSITION DESCRIPTION

POSITION TITLE: Director of Commercial Business	DATE: 12/13/2017
DEPARTMENT/TITLE OF SUPERVISOR: VP – Commercial Business & Marketing	GRADE/LEVEL: 20 (Exempt)

- Oversee the business provisions of airline, concessions, rental car, and non-aeronautical agreements.
