

Lamar Alliance Airport Advertising Company Invites Applications for
Director of Airport Business Development
Frisco, Texas

The Position

The Director of Airport Business Development is primarily responsible for the development of the airport division. This includes both the acquisition of new airport advertising concession contracts as well as facilitating the renewal of existing contracts before expiration. Also, the incumbent will maintain key relationships with existing airports and establish and develop relationships with new LAAAC airports. This role will include providing oversight to the procurement process and proposal submission. Additionally, the person in this role will provide guidance and assistance to the Airport Division General Manager on an as needed basis.

Position Preferences

Candidates must have a high school education or equivalent. A Bachelor's Degree is preferred, along with 5-6 years of relevant experience, preferably in a supervisory role.

Salary and Compensation

The starting salary for this position is very competitive with an attractive benefit package.
