

The County of Sacramento Invites Applications For Director of Airports

The County of Sacramento is seeking a Director of Airports who will be responsible for the operations, administration, planning, and development activities of the Airport Department (Sacramento County Airport System). The Airport System is comprised of Sacramento International Airport (SMF), Mather Airport, Executive Airport, and Franklin Field.

The Sacramento International Airport (SMF) is located just 12 miles northwest of downtown Sacramento—only a 15-minute drive. With over 150 scheduled departures per day served by 12 airlines to 34 non-stop destinations, SMF has experienced 45 consecutive months of passenger growth and was recently ranked #1 by JD Power 2017 Customer Service Rankings.

Duties of the Director of Airports include:

- Leads and directs the overall operations of the Sacramento County Airport System.
- Ensures the Sacramento County Airport System is operating according to Federal, State and Local laws and regulations in order to ensure public safety and security.
- Establishes sound operating policies and procedures that will ensure the responsible, safe, and efficient operation of the Sacramento County Airport System.
- Establishes priorities and identifies the Department's future needs and directs the strategic initiatives to meet those needs.
- Directs the preparation and administration of the Department's budget.
- Creates and sustains cooperative working relationships with all stakeholders including airport customers, tenants, businesses, public and private agency leaders, the governance structure within Sacramento County, the general public, the media, and staff (union and non-union).
- Provides leadership, direction and mentoring to staff.
- Effectively promotes organizational values and goals.
- Responds to and resolves difficult and sensitive customer inquiries and complaints.
- Directs the preparation of analytical and statistical reports on operations and activities.
- Represents the County to the Board of Supervisors, the public, and other entities.
- The position will be responsible for developing the department's agenda and implementing short and long term strategies to meet the needs in all of these business areas.

Position Qualifications

The ideal candidate will have a Bachelor's degree or higher in Airport Administration, Business Administration or related field; and five years of experience managing, directing, developing, implementing, coordinating, and evaluating a team of professionals performing the full scope of work required at a medium or large hub airport. International Airport Professional (IAP) or Accredited Airport Executive (AAE) designation is a plus.

Salary & Benefits

The salary range for this position is \$198,619 - \$218,961 with an attractive array of benefits including a \$450 per month auto allowance and a 3.35% Management Differential per pay period.
