

Foreign Trade Zone/International Market Development Manager

The Lansing Regional Chamber of Commerce and the Capital Region Airport Authority are conducting a search for a Foreign Trade Zone/International Market Development Manager. The position will be responsible for marketing the Foreign Trade Zone services to potential users as well as assisting Lansing regional businesses in international development efforts through education, marketing and hands-on involvement. This position is part of a strategic partnership between the Lansing Regional Chamber of Commerce and the Capital Region Airport Authority.

Bachelor's degree required with preferred experience in Economic Development, Foreign Trade Zone Management and/or Air Cargo Development.

Please submit cover letter, resume and salary requirements to:
