

REQUEST FOR STATEMENTS OF QUALIFICATIONS FOR DESIGN SERVICES
FOR AIRFIELD PAVEMENTS CONSTRUCTION & REHABILITATION FOR THE
COLUMBUS REGIONAL AIRPORT AUTHORITY

The Columbus Regional Airport Authority (CRAA), Columbus, Ohio is soliciting Statements of Qualifications until October 8, 2009 at 2:00 p.m., from firms interested in and qualified to provide Professional Design and Design Related Services for Airfield Pavements Construction & Rehabilitation at Port Columbus, Rickenbacker International and Bolton Field Airports. The services may include, but are not limited to, the following:

- Geo-technical investigation and surveys
- Design of Asphalt and Portland Cement Concrete Pavements in conformance with FAA design standards
- Design of Asphalt and Portland Cement Concrete Pavement Repairs
- Preparation of Maintenance of Traffic and Safety/Phasing Plans
- Preparation of material specifications for bidding
- Aircraft traffic pavement loading studies
- Design of necessary site infrastructure (Electrical, Storm Water, Grading, etc)
- Airspace analysis and associated FAA submittals
- Various levels of cost estimating/scheduling
- Life Cycle Analysis
- Meeting coordination and attendance
- Necessary outside agency (city, state, federal) coordination
- Development of construction documents
- Assistance with bidding/bid process management
- A/E Services during construction
- Other related activities

Publications advertisements begin: Week of September 14, 2009

Website posting: Effective September 14, 2009

It is the policy of the Columbus Regional Airport Authority that Disadvantaged Business Enterprises (DBE) shall have the maximum opportunity to participate in the provision of services as outlined in this request. Consultants shall make a good faith effort to obtain DBE participation as noted in the RFQ package. This request for statement of qualifications document, and other items pertinent to the submittal, is available at our website (www.columbusairports.com/construction/rfq.asp) and should be checked frequently for any changes. Addenda shall be posted to the same site and it shall be the Consultant's responsibility to obtain the addenda from the site, without notification from the CRAA.
