

Airport Service Quality Awards

▶ The Awards are based on annual results of overall satisfaction of international passengers. Only airports which have participated in all four quarters of the year and followed the sampling methodology are eligible for an Award.

▶ The top three performing airports in each category will receive an Award and the names of the top five performing airports will be published in a ACI press release on Monday 25th February

▶ Awards will be handed over during the Gala Dinner on April 1st at the Airport Service Quality and Facilitation Conference in Shanghai
(for more information www.aci.aero)

▶ **The rankings cannot be disclosed before 10:00 GMT Monday 25th February**

▶ Airports winning an Awards are kindly requested to inform DKMA before **March 12th** if a representative from their organization will attend the Gala Dinner
