

PRELIMINARY AGENDA
ACI-NA BUSINESS INFORMATION TECHNOLOGY PRE-CONFERENCE SEMINAR
September 25-26, 2010
 Pittsburgh, PA
 (agenda as of 9/8/10; subject to revision)

Saturday, September 25, 2010	
8:00 AM – 9:00 AM	Combined Seminars Coffee & Rolls
9:00 AM – 10:00 AM	<p>Report on Passenger Self-Tagging</p> <p>The goal of this session is to present the IATA/ATA/ACI-NA Passenger Self-Tagging Pilot Plans, review the possible implications, pros and cons of passenger self-tagging, and present the possible tools and resources that airports can use in preparing for passenger self-tagging. This session will also provide an update on the progress of the ACI-NA Working Group on Passenger Self-Tagging.</p> <p style="text-align: right;">Moderator: Dave Bourgon Clark County Department of Aviation</p>
10:00 AM – 10:30 AM	Combined Seminars AM Break
10:30 PM – 12:00 PM	<p>The Future of CCTV</p> <p>With CCTV becoming an increasing presence in today’s airports, this session will focus on the users’ experiences with their products, which products to avoid as well as experiences airports have had providing CCTV services to the TSA, what has worked well and what would be done differently next time. This session will also provide information on the products themselves, such as the maturity of technologies, reliability, functionality, strengths and weaknesses.</p> <p style="text-align: right;">Moderator: John Newsome Greater Orlando Aviation Authority</p>
12:00 PM – 1:00 PM	<p>Combined Seminars Luncheon: ACRP Report #30 Update</p> <p>ACRP Report 30: <i>Reference Guide on Understanding Common Use at Airports</i>, provides a guide and tool set that can assist airports and airlines exploring the possibility of, and evaluating the appropriateness of integrating "common use" in their operations. Spanning all aspects of "common use", the Report is useful to those responsible for planning, operations, facilities management, information technology, business management, and executive management. The Purpose of this session is to provide an overview presentation and to discuss how to achieve the greatest benefit from the information contained in the Report. The authors of Report 30 will walk through various scenarios, using the information contained in the guide and tools. Ample time will be provided for questions and follow on discussions.</p>

	<p>Moderator: Frank Barich Barich, Inc.</p> <p>Rick Belliotti Ultra Electronics</p> <p>Justin Phy Barich, Inc.</p>
1:00 PM – 3:00 PM	CUPPS UPDATE & Airport Roundtable
3:00 PM – 3:30 PM	Combined Seminars PM Break
3:30 PM – 5:00 PM	<p>New Ideas for Revenue Generation Using Technology</p> <p>With the widespread use of mobile and wireless technology, this session will explore new ideas for revenue generation using these devices, as well as present case studies from LAS, MCO, MSP and SAN.</p> <p>Moderator: Howard Kourik San Diego County Regional Airport Authority</p> <p>Dave Bourgon Clark County Department of Aviation</p> <p>Vanessa Hickman Minneapolis-St. Paul International Airport</p> <p>John Newsome Greater Orlando Aviation Authority</p> <p>David Ruch Minneapolis-St. Paul International Airport</p> <p>Flightview</p>
Sunday, September 26, 2010	
7:30 AM – 8:30 AM	Combined Seminars Coffee & Rolls
8:30 AM – 10:00 AM	<p>IT Airport Implementation Plan/Roadmap</p> <p>What is an IT airport implementation plan? What considerations should be done before applying one? Can you do it yourself? If outsourced, how much does it cost? What are the elements of the plan? If these are questions you have raised regarding your airport's IT implementation plan, then join this session to hear the experts answer these questions and more on how to develop a successful IT roadmap.</p> <p>Moderator: Kin Barker K.R. Barker & Associates, LLC</p>
10:00 AM – 10:30 AM	Combined Seminars AM Break
10:30 AM – 12:00 PM	<p>Understanding the Future of the Passenger Processing Flow</p> <p>Are you ready to maximize the benefits of emerging passenger processing</p>

	<p>technology to realize an efficient and effective passenger flow? This session will cover passenger processing technology from multiple viewpoints, including reviews of the Millwork and Casework incorporated with Self-Service Passenger Processing, ADA/OSHA requirements, and gate and check-in positions.</p> <p style="text-align: right;">Moderator: Adam Barringer Fish Construction, Inc.</p> <p style="text-align: right;"><i>Peter Aarons</i> San Diego International Airport</p> <p style="text-align: right;"><i>Mark Adams</i> URS Corporation</p> <p style="text-align: right;"><i>Gareth Ashley</i> ARUP</p> <p style="text-align: right;"><i>Ron Hiscox</i> Airport Process Design</p> <p style="text-align: right;"><i>Todd VanGerpen (invited)</i> Seattle-Tacoma International Airport</p>
12:00 PM – 1:00 PM	Combined Seminars Luncheon
1:00 PM – 2:00 PM	<p>Geographical Information Systems (GIS)</p> <p>Airports around the US have increasingly invested a fair amount in GIS and application development. Although still new to this kind of environment, more airports may be at a point of interest to learn more how GIS can be integrated into their information sharing capabilities. This session will discuss what GIS can do for you and your airport.</p> <p style="text-align: right;">Moderator: Dave Bourgon McCarran International Airport</p>
2:00 PM – 2:30 PM	Combined Seminars PM Break
2:30 PM – 4:00 PM	<p>Passenger Tracking and Related Technologies</p> <p>This session will address various passenger tracking and other related technologies that can be used at your airport, including terminal throughput, Bluetooth, how to provide specific services to specific departments, and connecting directly with passengers.</p> <p style="text-align: right;">Moderator: John Powell SITA</p> <p style="text-align: right;"><i>Robert Cook</i> Blackstone Gates</p> <p style="text-align: right;"><i>Linda Flippin</i> Dallas/Fort Worth International Airport</p>

	<p style="text-align: right;"><i>Lisa Kent</i> Houston Airport System</p> <p style="text-align: right;"><i>Lars Paulsen</i> Bluelon</p>
4:00 PM – 4:35 PM	ACI-NA BIT Committee Meeting
5:00 PM – 7:00 PM	Exhibition Hall Grand Opening
